MEMORANDUM FOR: Executive Director

THROUGH : Deputy Director (Support) *SKW*

SUBJECT : Security Reindoctrination Program #2

REFERENCE : Memo to Executive Director from
Director of Security, dtd 30 July '63,
subject: Security Reindoctrination
Program #2

1. This memorandum is for information only. It concerns the status of the Security Reindoctrination Program.

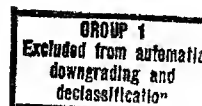

2. A working outline of the Security Program is being rapidly developed with efforts to maintain a balance between the sophisticated professional approach and the application of the security lesson to all levels of Agency personnel. To accomplish this end the lecture portion of the Program will be liberally supplemented with film strips and animated training aids portraying the history and growth of the Intelligence Community and the resultant overall increase in the security problem.

3. Although an attempt will be made to test run the narrative text in the middle of October, nevertheless, the time required to obtain appropriate film and animation aids leads us to estimate that it will be approximately two months before the presentation can be launched Agency wide.

4. We will continue to give this Program high priority and
